

# FOOD SCRAP RECYCLING IN DOBBS FERRY

**The Village of Dobbs Ferry has launched a Food Scrap Recycling Program!**

Residents can now bring ALL food scraps to the Food Scrap Drop-off Site at the Dobbs Ferry DPW (1 Stanley Avenue). We are proud to offer this service!

All food scraps are accepted, including fruits, vegetables, meat, fish, dairy, bread, rice, pasta, raw and cooked food, fresh or spoiled, as well as cut flowers, napkins, and tissues. The material is then brought to a compost facility and turned into soil!

## How does it work?

Collect food scraps & paper products in a **countertop pail** using **compostable bags**.

Store bags of food scraps in a **storage and transportation bin**.

Bring your **storage and transportation bin** to the drop-off site(s) and empty the bins into the designated **toters**.

## What do I need to start?

Although they are not required to participate, food scrap recycling “starter kits” make it easy and are available at the DPW (1 Stanley Avenue) for \$20/kit (cash or check).

Kits include:

- Countertop Pail
- Storage and Transportation Bin
- Roll of 25 Compostable Bags
